Machine Features

- 1.Double ATC spindle work simultaneously.
- 2.The spindles can work independently.
- 3.Linear type auto tool changer, double tool magazines, 12 tools, high efficiency.
- 4.Do cutting, drilling holes, edge profiling and polishing, finish two countertops simultaneously.
- 5.International control system, global warranty.

Applicable Industries And Materials

Applicable industries: Widely used in CNC processing and production of basins, cabinet countertops, bathroom countertops, bar counters, kitchen countertops, washstands, marble walls, dining tables, coffee tables, window sills, door pockets, etc.

Applicable materials: widely used in granite, quartz stone, artificial stone, marble and other stone.

Technical Parameters	
Model	GSY-3015D
X/Y/Z Axis working size	3000*1500*430mm
Working table	Aluminum profile with T-slot and water tank
X/Y/Z Axis transmission	X/Y Axis helical Gear and rack, Z Axis Ball screw
Spindle power	ATC spindle 7.5KW(optional)
Max spindle speed	12000rpm
ATC type and capacity	Linear ATC, 12 tools
Driver motor	servo
Control system	Siemens
Gross weight	4000KGS
